July 23, 2022

Rhinebeck, NY – Singer / Ventriloquist Darci Lynne will present her family friendly show to fairgoers on Tuesday, August 23, 7:30pm opening day of the 176th Dutchess County Fair.

Darci is the youngest contestant to ever win NBC's "America's Got Talent" garnering over 67M views on AGT's YouTube and the most votes for a final performance in the history of the show. She won the hearts of America with her sweetheart disposition and undeniable talent. In 2018, she kicked off her national tour selling out her first headlining family friendly show in just six minutes, continually adding shows to meet the overwhelming demand. On the heels of a record-breaking 2019, the gifted Singer/Ventriloquist Darci Lynne has kicked off her 2020 "Fresh Out of The Box" National Tour where she is sharing her passion for performance and bringing her enchanting show from New York to Nevada.

Growing up in Oklahoma, Darci has always been close to her family and relies on their support and encouragement. In her younger years, Darci participated in talent-based pageants to overcome her shyness. She was soon introduced to the art of ventriloquism and decided to try it out for herself. Her hard work, grit and discipline developed from her early days of gymnastics where she practiced thirty hours a week. After only having her first puppet for two weeks, Darci began performing in talent shows in her home state and beyond. She was determined to audition for her first talent show, ultimately leading her to audition for the biggest talent show on television.

The stage is now a platform where Darci can open-up and display her incredible talents for the world to see. Her polished, impeccable skill as a ventriloquist at such a young age is jaw dropping and sure to inspire the next generation to keep the craft alive, but when she sings, her voice leaves her audiences breathless.
