NOTES

1. Scarf is worked in one piece, back and forth in rows.
2. Bands at beginning and end of Scarf are worked using both yarn colors. Body of Scarf is worked with one color of yarn.
3. When instructed to work in a space "2 rows below" work into the space in the row numbered 2 less than the row you are currently making. For example, if you are making Row 4, a space "2 rows below" is in Row 4 – 2 = Row 2.
4. When working two-color bands, 2 RS rows are worked then 2 WS rows are worked. The yarn color is changed every other row. To change color, remove loop of old color from hook and elongate loop so that it does not unravel. Do not fasten off old color until instructed. Join new color as instructed or return elongated loop of new color to hook and gently tighten loop around hook. Proceed with new color. This color change method reduces the number of yarn tails you'll need to weave in later.
